

2 July – 6 August 2025

Summer Research Program

For LOCAL students studying in the
Mainland and overseas

Location

Division of Life Science, HKUST

Highlights

- Engage in research projects in an interactive environment with faculty mentors
- 3rd year full-time undergraduate students studying in Mainland China and overseas, majoring in Life Sciences, Chemistry, Biotechnology, Bioengineering, Computational Biology, or related fields with GPA of 3.2 out of 4.0 (or 80%) or higher
- Participants can also choose to join the interview session of the LIFS Summer Recruitment Camp, which will be held on July 9-10
- Subsidy will be provided. Participants are responsible for covering their own transportation costs to and from HKUST.
